

Incident Handler's Journal - Template

Instructions

Use this template to document security incidents, practice scenarios, or key concepts you encounter while developing your incident response skills. Each entry can capture important details, tools used, and observations that may be helpful for future reference or portfolio examples.

Date: Record the date of the journal entry.	Entry: Record the journal entry number.
Description	Provide a brief description about the journal entry.
Tool(s) used	List any cybersecurity tools that were used.
The 5 W's	Capture the 5 W's of an incident. • Who caused the incident? • What happened? • When did the incident occur? • Where did the incident happen? • Why did the incident happen?
Additional notes	Include any additional thoughts, questions, or findings.
